

## Boise Airport Important Airport Operations Information

### Important Boise Airport Operations Information—Taxiway Zulu Closed Until Further Notice

Please be advised that the Boise Airport, with concurrence from the FAA Airport Certification and Standards team, has closed Taxiway Zulu (pictured below) until further notice. A NOTAM has been issued. We will provide updated information as it becomes available as to the duration for the closure.

As a reminder, please refer to BOI's PASSUR Communicator website for the most current information regarding airfield conditions and closures. If you have any questions please contact Airport Operations 24/7 at [208-972-8420](tel:208-972-8420)
