## **BOISE AIRPORT AIRFIELD CONSTRUCTION ADVISORY: APRIL 16, 2018 – MAY 28, 2018**

Please be advised that beginning on Monday, April 16<sup>th</sup>, 2018, there will be construction activity on Taxiway A and Runway 10L-28R. This work is to conclude the Taxiway A Rehabilitation Project from 2017 and includes stabilizing the soil in the runway safety area on the approach end of Runway 28R.

This work requires various taxiway and runway restrictions and closures. Please note that during phase 2 and phase 3, RWY 28R will be restricted to departures only. During phase 4, RWY 10L-28R will be closed.

**\*\* Pilots: please thoroughly review current NOTAMs for BOI\*\***

Please note that these dates are subject to change contingent on weather and other external factors. Boise Airport's PASSUR Communicator page will have current information on this project. If you have any specific questions, please feel free to contact Airport Operations 24/7 at 208-972-8420.

Regards,

Boise Airport Operations
