## **BOI AIRPORT SECURITY BADGE RECOVERY WORKSHEET**

The purpose of this form is to record all information regarding the recovery of a terminated employee's BOI Airport Security Badge. This worksheet should be completed for every employee termination whether voluntary or involuntary. All completed Badge Recovery Worksheets should be kept in a separate file indefinitely. The Airport Security team or TSA may request to review them at any time. TSA ADVISORY "...any employer... who does not collect or make reasonable efforts to collect airport security badge from the employee on the date the employee is terminated and does not notify the operator of the airport of such termination within 24 hours of the date of such termination shall be liable to the Government for a civil penalty not to exceed \$10,000." Terminated badges not returned to the Badging Office within 30 days of termination notice will result in \$100 non returned badge fee for company and badge holder. Double penalty during audit.
